

The Nash @ 39th Street

The Nash at 229 39th Street was recently redesigned and offers a wide selection of studio, 1, 2 and 3 bedroom apartments. Ideally located within walking distance of Grand Central Station. This property sits in the heart of Midtown East, surrounded by contemporary cafes, shopping, critically acclaimed restaurants and awe-inspiring museums. Also nearby are many of New York's most popular tourist destinations, including the Empire State Building, Bryant Park and the United Nations.

When you walk in to the Nash you will feel that everything is new and thoughtfully redesigned, creating gracious layouts and highly stylized residence. Our kitchens boast custom Italian cabinetry, full-height natural stone backsplashes, Caesar-stone counter-tops and stainless steel appliances. Baths are sleek and sophisticated. Featuring white oak finished floors throughout allows a bright, clean and expansive feel throughout each room.
